Comment Number	Comment
1	Trail or bike lane from Midlothian to Pocahontas State Park
2	Not safe to walk or bike in the area of Little Creek Lane and Howell Rd
3	Traffic signals are a major impediment to cycling
4	Lack of sidewalks and safe places to walk and run, specifically in the Glen Tara subdivision
5	Private lands may be taken or impacted by bike plan
6	Non-bikers will be forced to pay and individual responsibility will be violated, as well as "All taxpayers will be treated equally"
7	Some bikers may have to pay even if they do not want to
8	Property taxes may be increased - yours
9	Government will get bigger, not smaller and limited
10	Free market will be violated as Sports Backers will get government help
11	Fully support a bike plan to connect schools to parks, rivers, historic sites, East Coast Greenway, etc.
12	Better coordination among various county departments to get trails through the development process
13	Need a safe bike lane on Beach Rd to Pocahontas State Park
14	Support for bike trails in populous area of Chesterfield County to fulfill one of its most basic services: protecting its citizens
15	Support the use of the old trolley line on Harrowgate Rd as a trail
16	Support the plan, emphasize the transportation and connections to destinations
17	Would like bike trail from Brandermill to Old Clover Hill HS
18	Do not support public funding of bikeways and trails
